Loan Account Number (s):

(Note: All loan accounts listed must be in the same name/s)

Please select one of the below options

- New Redraw Registration Authority
 Change to an existing Redraw Registration Authority

I/We understand that if redraw is made available and I/we select 'one borrower to authorise', each of us will be liable for any transactions made by me or any of us (where we are joint borrowers) or anyone to whom I/we give information to enable them to access redraw, whether I/we authorise the transaction or not. Where we are joint borrowers and we have nominated 'one borrower to authorise', I/we agree that each of us can bind the other. For example, any one of us can authorise a redraw or any other activity in respect of the loan. Each of us will be responsible for that transaction regardless of not knowing or not agreeing to the transaction.

Please select one of the options below to authorise Redraw withdrawal requests on the loans listed above. If no option is selected, ANZ will by default assume all borrowers to the loan contract must give authorisation for each redraw withdrawal.

- Any one borrower to authorise Redraw withdrawals
 All borrowers to authorise Redraw withdrawals
(Note: By electing this option you will not be able to make a Redraw instantaneously via the Internet or telephone banking. Each Redraw withdrawal will need to be verified with all borrowers by ANZ before it can be processed).
 De-register Redraw Facility
(Note: Please tick this option if you want loan to be de-registered from the redraw facility. Should you require access to redraw in the future, you will be required to complete a new form)

Signing this Authority

This authority is to be signed by all parties to the loan contract (including guarantors if applicable). If existing signing authority for Redraw Facility is 'any one' to authorise, then only one signature is required.
